ABOUT IHIA

The International Homicide Investigators Association (IHIA) was founded during a 1988 Violent Crime Apprehension Program (ViCAP) Conference sponsored by the FBI in Quantico, Virginia. This Symposium is a valuable opportunity to network with law enforcement representatives from the United States and other global countries.

This Symposium provides state of the art training to over 300 attendees. It is an excellent opportunity for you, the supplier, to interface directly with these professionals. We would be honored if you would support the organization by exhibiting, advertising or sponsoring the International Homicide Investigators Association's 2023 Annual Symposium in Oklahoma City, Oklahoma, August 6 – 11, 2023.

2023 Estimated Attendees: 350+

GIVEAWAYS, CHARITABLE DONATIONS & EXPO BOOTH TRAFFIC

Giveaways are donations from various businesses, agencies, sponsors and supporters of IHIA. The giveaways are through lucky number(s) that are purchased by attendees, with the proceeds benefiting a charity that can be the choice of the host agency or to benefit the family of an officer killed in the line of duty. The giveaways are normally held during breaks in the Exhibit Hall on Monday and Tuesday. Final ticket sales and giveaways will take place during Thursday's reception with attendees having the opportunity to win the final grand prize of the event.

To incentivize attendees to visit your booth and discuss the products and services you are offering, simply donate a giveaway with a value of \$100 or more, and we will add you on to our Traffic Driver card for a drawing of your prize during Tuesday afternoon's break in the Expo Hall.

For more details on this year's IHIA Giveaways, please contact Collette Csintyan, IHIA Exhibits and Sponsorship Sales at Collette@CypressPlanningGroup.com.
